

Website: alejandro-sarria-morales.github.io

Email: alejandro.sarria@duke.edu

Research Interests: Computational social science, Cultural sociology, Political sociology, Natural language processing.

Education

- 2025- **PhD in Sociology**, Duke University, NC.
- 2023-2025 **MA in Computational Social Science**, University of Chicago, IL.
- 2016-2021 **BA in Psychology**, Universidad de los Andes, Bogotá, Colombia
- Minors** Economics, Comparative Politics

Research Positions

- 2026- **Research Assistant**, Department of Sociology, Duke University
- 2024-2025 **Research Assistant**, Chicago Center for Computational Social Science, University of Chicago
- 2018-2021 **Research Assistant**, Cognition Lab, Universidad de los Andes

Pre-Prints

- 2025 A System-Agnostic Approach to Ideology Detection
 A, Sarria Morales. [Working paper](#)
 ■ Nominated for outstanding thesis in Computational Social Science
- 2024 Word Embeddings Reveal Patterns of Disgust-related Speech in Non-hierarchical Political Communication
 A, Sarria Morales. [Working paper](#)

In Progress

- 2026 Corporate Control, Precarious Scheduling and Workplace Culture
 W Jiang, J Bruchard, [A Sarria Morales](#)
- 2026 Measuring Change and Stability in Personal Culture from Interview Data.
 [A Sarria Morales](#)

Presentations

- 2026 Measuring Change and Stability in Personal Culture from Interview Data.
 New Directions in Analyzing Text as Data. Berkeley, CA.
- 2025 Word Embeddings Reveal Patterns of Disgust-related Speech in Non-hierarchical Political Communication
 Midwest Political Science Association Conference. Chicago, IL.
- 2024 Detecting Emergent Ideological Clusters in Congressional Speech
 University of Chicago Computational Science Workshop, Chicago, IL.
- The Political Culture Maps of Latin America
 Knowledge Lab Workshop, Chicago, IL. With Nicolás Torres-Echeverri.
- Word Embeddings Reveal Patterns of Disgust-related Speech in Non-hierarchical Political Communication
 International Conference on Computational Social Science, Philadelphia, PA.
- University of Chicago Graduate Conference in the Social Sciences, Chicago, IL.

Teaching

- 2026 **Instructor**, Summer Institute in Computational Social Science, Bogotá
 Introduction to Natural Language Processing

2024	Teaching Assistant , Chicago Center on Computational Social Science, University of Chicago Computational Mathematics Bootcamp Social Network Analysis
2019-2020	Teaching Assistant , Department of Psychology, Universidad de los Andes Research Design and Analysis 1 & 2

Grants and Fellowships

2023	Maroon Research Scholarship, University of Chicago. \$60000.
------	--

Academic Service

2026	Reviewer	American Journal of Sociology
	Judge	Jaya Thomas Sastry Award
2025	Reviewer	International Conference on Computational Social Science

Affiliations

Current	Worldview Lab, Duke University Polarization Lab, Duke University American Sociological Association
Former	Knowledge Lab, University of Chicago Chicago Center on Democracy, University of Chicago Cognition Lab, Universidad de los Andes

Industry Experience

2021-2023	Coschool , Data Analyst
